

REHOMING CERTIFICATE

Thank you for giving this hamster a new home today. Please remember that you are now responsible for him/her for the rest of his/her life.

This hamster has been given a visual health check by an experienced Club Official and is, to the best of our knowledge, free from any illness or physical deformity (other than any already disclosed).

You now have a Duty of Care, **by law**, to;-

- Provide fresh food and water
- Provide an appropriate environment which avoids discomfort to the hamster
- Prevent pain, injury, suffering and disease by seeking veterinary help for your hamster as required
- A suitable cage for the species which allows 'growing room' and stimuli in the form of toys etc to keep him/her occupied
- Protect him/ her from fear and distress e.g. excessive noise, unsupervised young children, other pets
